

# 29 November Wednesday

**09:00-10:45** Opening ceremony *Adlon Ballroom*

**11:15-12:30** Investing in cyber resilience to enable sustainable development *Adlon Ballroom* 

**13:45-14:45**

 **3.10**  
Connection in progress: Cyber resilience, development, and international security  
*Adlon 1*

 **2.5**  
Closing the cybersecurity skills gap in developing countries: Developing an action agenda  
*Adlon 2*

 **1.3**  
Driving impact: Making the case for better evaluation of cyber capacity building  
*Adlon 3*

 **4.24**  
Blueprints for tomorrow: Multi-stakeholder models for cyber resilience  
*Chez George*

 **R**  
Regional session: Africa  
*Stafford*

**15:00-16:00**

 **2.8**  
Staying ahead of the curve: Cybercrime in the era of new tech  
*Adlon 1*

 **4.17**  
It takes a village! The community behind successful technical capacity  
*Adlon 2*

 **4.18**  
Not all about the money: How low-income countries can strengthen their cyber resilience  
*Adlon 3*

 **2.6**  
Strengthening the resilience of critical information infrastructure  
*Chez George (ends 16:15)*

 **R**  
Regional session: The Americas and Carribean  
*Stafford*

 **S**  
High-Level Meeting\*  
*Palm*

\*Please note that this session is by invitation only.

The program may be subject to change, please check the GC3B-app or GC3B.org for the final program.

**16:30-17:30**

 **1.2**  
Genie in a bottle? Market mechanisms for cyber resilient development  
*Adlon 1*

 **4.27**  
Hacking the gender gap: Unconventional strategies for women's inclusion in cybersecurity  
*Adlon 2*

 **4.22**  
Hope for the best, prepare for the worst: Developing national cyber crisis management plan  
*Adlon 3*

 **4.23**  
Think global, build local: The role of regional cyber capacity centers  
*Chez George*

 **R**  
Regional session: South-East Asia  
*Stafford*

 **S**  
Global mandates, local actions: How cybersecurity capacity building can help implement international commitments\*  
*Palm*

**17:45-18:45**

 **2.9**  
Stronger together: Cross-regional approaches to cooperation in cyber capacity building  
*Adlon 1 (ends 19:00)*

 **4.15**  
Volunteerism and other innovative approaches to building skills in cyber-poor environments  
*Adlon 2*

 **4.16**  
Sharing is caring: strategic role of information sharing in the African CERT community  
*Adlon 3*

 **4.29**  
What it takes! Scaling cybersecurity tools and solutions  
*Chez George (ends 19:00)*

 **R**  
Regional session: Pacific  
*Stafford*

 **S**  
Cybercrime stakeholder engagement initiative\*  
*Palm*

**20:00**

**GC3B Dinner** *Kwame Nkrumah Memorial Park*

**Key to sessions**

 **1** Pillar 1: Making international development cyber resilient

 **3** Pillar 3: Cyber capacity building for stability and security

 **R** Regional sessions

 **2** Pillar 2: Collaborating to secure the digital ecosystem

 **4** Pillar 4: Operationalizing solutions

 **S** Special sessions

Please visit the GC3B-app or GC3B.org for more information about the pillars and sessions.

# 30 November Thursday

09:00-10:00 Plenary session *Adlon Ballroom*

11:00-12:00

1.4

Leave no country behind?  
Addressing asymmetries and politics in cyber capacity building  
Adlon 1

3.12

Applying a principles-based approach to cyber capacity building  
Adlon 2

4.20

Cyber resilience in the energy sector: Distribution, transmission and digitalization  
Adlon 3

4.25

Unlocking national cybersecurity capacity: A systems approach to building a comprehensive cybersecurity education ecosystem  
Chez George

R

Regional session: Western Balkans  
Stafford

S

Counter ransomware initiative\*  
Palm

12:15-13:15

3.11

Back to the future: Lessons for cyber capacity building  
Adlon 1

4.19

How to make Africa's digital financial services more cyber resilient?  
Adlon 2

3.13

Leveling the playing field: How international law expertise can strengthen cyber resilience  
Adlon 3 *(ends 13:30)*

2.7

Sharing the success: Lessons for developing effective cyber capacity partnerships  
Chez George *(end 13:30)*

S

Improving cyber capacity building evaluation practice - knowledge sharing and community building\*  
Stafford *(ends 13:45)*

13:15-14:15

S

A future for all: How enhancing legislative and regulatory preparedness can ensure an even adoption of new technologies (AI, quantum computing et al.) around the world  
Palm

14:30-15:30

4.21

Driving change from within: Bottom-up approaches in criminal justice capacity building  
Adlon 1

4.28

Stars, clouds and deep seas: Ensuring secure and resilient communications infrastructure  
Adlon 2

4.14

Integrating cybersecurity in development assistance programs  
Adlon 3

4.26

Thinking out of the box to inspire a new generation of cybersecurity talent  
Chez George

S

Mainstreaming cybersecurity into digital development: Inputs for multi-stakeholder compendium  
Stafford

S

Using encryption to secure government data and digital services  
Palm

16:00-16:30 Closing *Adlon Ballroom*

## Key to sessions

1

Pillar 1: Making international development cyber resilient

3

Pillar 3: Cyber capacity building for stability and security

R

Regional sessions

2

Pillar 2: Collaborating to secure the digital ecosystem

4

Pillar 4: Operationalizing solutions

S

Special sessions

Please visit the GC3B-app or GC3B.org for more information about the pillars and sessions.

\*Please note that this session is by invitation only.

The program may be subject to change, please check the GC3B-app or GC3B.org for the final program.
